

I haven't got any money.

My friend gave me a birthday present but I don't like it.

I always get a cold in winter.

I've got lots of work and not enough time.

I can't sleep at night, and I feel tired in the day.

I want to get a boyfriend/girlfriend.

I want to stop eating chocolate.

My friend has cooked dinner and I don't like the food.

I want to learn English quickly.

I have a boring job.

I want to be more fashionable.

I want to make friends.

I can't concentrate in class.

I am a teacher and my students never do their homework.

I've got a job interview next week.

I want to do something interesting at the weekend.
