

## ELEMENTARY UNIT 3

- 1 Work in pairs and discuss. Who do you usually spend more time with, your friends or your family? What do you usually do together?

*I live with my family, so I spend more time with them.  
We watch TV and eat together every day.*

- 2 Read the quiz and choose the best answer for you, A, B or C.

## Friends or family?

Which are most important for you?  
Do our quiz and find out!

- 1 **It's Sunday afternoon. Who do you want to spend the afternoon with?**

- A** My family – I never see them during the week. We often go out together on Sundays.  
**B** My best friend – it's no competition! The two of us always spend all our free time together!  
**C** No one. I like to be alone. Maybe I can take my dog for a long walk.

- 2 **Where would you most like to be on a rainy Saturday?**

- A** At the cinema with my family watching a new movie.  
**B** At the mall with my best friend, having a coffee and looking round the shops.  
**C** At the sports centre, working out in the gym, or in the swimming pool.

- 3 **How would you like to spend your next birthday?**

- A** I'd like to have a big party at home and invite all my family and friends!  
**B** I'd like to go out to a restaurant with a small group of very good friends and then go dancing.  
**C** I'd like to go away for the weekend and visit a new city.

- 3 Compare your answers with a partner. Did you get mostly As, Bs or Cs? What do you think this says about you?

- 4 Read the three interpretations of the results (1–3) and match them to the headings (A–C). Do you agree with the interpretation of your results?

A Mostly As    B Mostly Bs    C Mostly Cs

- 1 You are a quiet person. You like your own company. You are independent and you usually do things on your own. But remember, we all need friends and family sometimes!  
2 You are a real family person! You love to spend time with your family. They are the most important people in your life. But remember, it's good to spend some time with your friends, too.  
3 You share everything with your best friend. That's great, but don't forget that there are other people in the world, too!

- 5 **3.1** Listen to two friends, Tania and Josie, doing the quiz. Make a note of Tania's answers. What are Tania's results: mostly As, mostly Bs or mostly Cs?
