

Mn = Manuel

M = Major

BF = Basil Fawlty

Mn: How are you, sir? You see, I speak English well. I learn it from a book. Hello, I am English. Hello. How are you, sir? I can speak English. Ah, hello, Major. How are you today?

M: Oh ... I'm fine, thank you.

Mn: It's a beautiful day, today.

M: Is it? Oh ... Yes, yes. I suppose it is.

Mn: Yes, I can speak English. I learn it from a book.

M: Did you, did you really? ... Oh, there you are, Fawlty.

BF: Yes. I'm just going to open up, Major.

M: Oh, fine. I say, that's, that's a remarkable animal you have there, Fawlty. Er ... Where did you get it?

BF: Er ... Samson's. In the town.

M: Really? Well, was, was it expensive?

BF: Er ... 12 pounds, I think.

M: Good Lord! Japanese, was it?

BF: Canadian, I think, Major.

M: I didn't know the Canadians were as clever as that, by God!

BF: He's started early.
