

H = Hina W1 = 1st woman etc. M1 = 1st man etc.

H: I like reading about famous people and finding out about their lives. But I wouldn't want to be famous myself. I'm happy being a normal person, doing a normal job. How do you feel about fame? **Would you like to be famous?**

W1: Oh, I would love to be famous.

M1: Not particularly. I like to keep to myself. I'm a fairly private person.

W2: No, I wouldn't like to be famous.

W3: No, I don't think I'd like to be famous.

W4: I think I would, but not too famous.

W5: No.

M2: No.

W6: No, I wouldn't like to be famous. I think that people are too obsessed with fame, too interested in fame these days.

M3: It's not something I'd actively look for, no.

W7: I'm not sure about that. I would like to be a bit famous but I wouldn't like to be like, really really famous, because you just don't have time on your own any more.

W8: I'm not sure. I think it's very easy to get obsessed with the good things that fame can bring, like the free gifts, and the doors opening for you, and all that kind of side of things.

M4: When I was younger, I used to want to be an actor. And thought, yeah, being famous would be great, but now I'm not so bothered.

H: **What would you like to be famous for?**

W8: I'd like to be famous for doing something new and exciting.

M4: These days, I'd like to be famous for doing something worthwhile, I think. Ah, by the, sort of charitable work.

- W7:** Maybe being a model.

- M2:** I would like to meet the Dalai Lama and Fidel Castro.
