## Karma

Come on  
Come on  
Come on

Weren't you <sup>1</sup>**the man** / **the one** who said  
That you don't want me anymore  
And how you need your <sup>2</sup>**space** / **place**  
And <sup>3</sup>**give** / **send** the keys back to your door  
And how I cried and tried  
And tried to make you <sup>4</sup>**stay** / **be** with me  
But still you said your love was <sup>5</sup>**gone** / **over**  
And that I had to <sup>6</sup>**go** / **leave**

### CHORUS

(Now you) Talking 'bout a <sup>7</sup>**baby** / **family**  
(Now you) Saying I complete your <sup>8</sup>**dream** / **life**  
(Now you) **Saying I'm your everything**  
You're confusing me, what you <sup>9</sup>**tell** / **say to** me  
Don't play with me, don't play with me, 'cause  
**What goes around, comes around**  
What goes up, must come down  
Now who's crying, desiring to come back to me?  
What goes around, comes around  
What goes up, must come down  
Now who's crying, desiring to come back?  
I remember <sup>10</sup>**when** / **while** I was sitting home alone  
Waiting for you 'til <sup>11</sup>**four** / **three** o'clock in the morn  
And when you came home  
You'd <sup>12</sup>**never** / **always** have some sorry excuse  
Half explaining to me  
Like I'm just some <sup>13</sup>**type** / **kind** of a fool

I sacrificed the things I want  
Just to do things for you  
But <sup>14</sup>**when** / **if** it's time to do for me  
**You never come through**

### CHORUS

Night after night, <sup>15</sup>**thinking** / **knowing** something  
going on  
Wasn't long <sup>16</sup>**before** / **until** I be g-g-g-gone  
Lord knows it wasn't easy, believe me  
Never <sup>17</sup>**thought** / **knew** you'd be the one that would  
deceive me  
**And never knew what you supposed to do**  
No need to approach me fool, 'cause **I'm over you**  
What goes around comes around  
What goes up, must come down  
Now who's crying, desiring to come back to me?  
What goes around, comes around  
What goes up, must come down  
It's called karma baby, and it goes around

*(repeat to fade)*
