CAN YOU UNDERSTAND THIS TEXT?

- 1 Tipping is more common in the US.
- 2 If the service has been very good.
- 3 No, in the most casual of restaurants tipping is not universal.
- 4 If you are very un happy with the service.
- 5 Not all restaurants add a service charge. You don't have to pay it if you're unhappy with the service.
- 6 Because the service charge may already be added, but the card machine may still ask I you want to add a tip.
