INFORMATION FOR STUDENTS

There is one part to this test.

- 1 This is a part of an email you have received from your Australian friend, Toni.

I've been feeling a bit ill for a few weeks. Nothing serious but I've had a couple of colds and an annoying cough. My doctor says I'm ok and that I'm just working too hard. What do you think I should do to get better? Do you think should I take some time off college, or try out some kind of alternative medicine? What would you do, if you were me?

Bye
Toni
