

<p>I've been saving money to do this for three years and tomorrow I'm finally going to set off on my trip round the world.</p> <p><i>How do I feel?</i> excited</p>	<p>I've just won \$5m on the lottery. I can give up my job and do anything I want!</p> <p><i>What's the feeling?</i> excitement</p>	<p>I am a visitor at the home of a couple who argue all the time. They keep asking me to take sides.</p> <p><i>How do I feel?</i> awkward</p>	<p>I'm meeting my partner's parents for the first time and making conversation is difficult.</p> <p><i>What's the feeling?</i> awkwardness</p>
<p>I've not slept for thirty-six hours and I can hardly keep my eyes open.</p> <p><i>How do I feel?</i> exhausted</p>	<p>I've been baby-sitting five very active four-year-old children all day.</p> <p><i>What's the feeling?</i> exhaustion</p>	<p>The workmen arrived on time and finished the job when they said they would.</p> <p><i>How do I feel?</i> satisfied</p>	<p>I am very happy with my life as it is, there's not much I want to change about it.</p> <p><i>What's the feeling?</i> satisfaction</p>
<p>My teenage son didn't come home last night and he always calls if he's going to be late.</p> <p><i>How do I feel?</i> anxious</p>	<p>I need to catch a connecting flight and my flight is delayed.</p> <p><i>What's the feeling?</i> anxiety</p>	<p>My team lost the final.</p> <p><i>How do I feel?</i> disappointed</p>	<p>The world champion fell over and missed winning an ice-skating medal at the Olympics.</p> <p><i>What's the feeling?</i> disappointment</p>
<p>I still can't find a parking space. I've been looking for over half an hour.</p> <p><i>How do I feel?</i> frustrated</p>	<p>I've got lots of urgent emails waiting for me, but my internet connection is down.</p> <p><i>What's the feeling?</i> frustration</p>	<p>I'm about to give a presentation to fifty people I've never met. They are all experts in the field and probably know more than me.</p> <p><i>How do I feel?</i> nervous</p>	<p>I am going to ask my partner if they want to marry me. I don't know what they are going to say.</p> <p><i>What's the feeling?</i> nervousness</p>
<p>I slapped my friend on the back and told him to hurry up, but when he turned round I saw it was a stranger.</p> <p><i>How do I feel?</i> embarrassed</p>	<p>I am going to introduce my colleague to the new boss, but I just can't remember her name.</p> <p><i>What's the feeling?</i> embarrassment</p>	<p>I lost my wallet and spent one hour looking for it. I've just found it in my coat pocket.</p> <p><i>How do I feel?</i> relieved</p>	<p>Your friends were on a plane that crashed. You've just found out nobody was injured.</p> <p><i>What's the feeling?</i> relief</p>
