a Listen to the song. There is one extra word in each line. Cross it out.

Under the Influence

- 1 Just another **Monday** morning
- 2 With shaky hands, pounding aching head
- 3 I guess I did it all again
- 4 Try to leave, but I just can't stand
- 5 Start to think that maybe I'm better off dead
- 6 I'm really sick of this condition
- 7 Your kiss is my only **addiction**
- 8 I can tell you cast a wicked **spell** that knows no moderation
- 9 It's dangerous, the stupid things we do

Chorus

- 10 Under the influence, I got absolutely no defence
- 11 It might be considered criminal, but still I just can't **quit**
- 12 So under the influence, I'll take the consequence
- 13 Well, if it's poisonous, I'll let it take my last breath

Under the influence

- 14 Temptation, creeping up on me again
- 15 Gets right under my skin, won't let me be
- 16 Haunt all my days and haunt my sleep, viciously **unrelenting**
- 17 And lay back down again
- 18 And give back in again
- 19 And feel so good again
- 20 Begging for yet another beautiful **sin**
- 21 It's dangerous, the stupid things we do

Chorus

- 22 Under the influence, the walls are closing in quickly
- 23 It's not inevitable, but I can't see him
- 24 leaving out the cruel destruction of your love

Oh, oh

Chorus

Under the influence
Under the influence
Under the influence
