

keep yourself to yourself	behind closed doors	between you and me	give the game away
let it slip	spill the beans	stay schtum	let the cat out of the bag
conventional wisdom	a commonly held perception	a fallacy	uncover the truth
verify	intuitively true	debunk a myth	disprove a myth
keep a secret	your innermost thoughts	keep it quiet	divulge a secret
forgive someone	reveal the truth	in confidence	speak openly
