

# Speaking Module 7

Imagine that your college or school is remodeling the library. Look at the following pictures and discuss how useful each thing would be to the library and the students. Talk in groups. Use the vocabulary and phrases given.

What are the advantages/disadvantages of each item?  
Who might these things appeal to more?

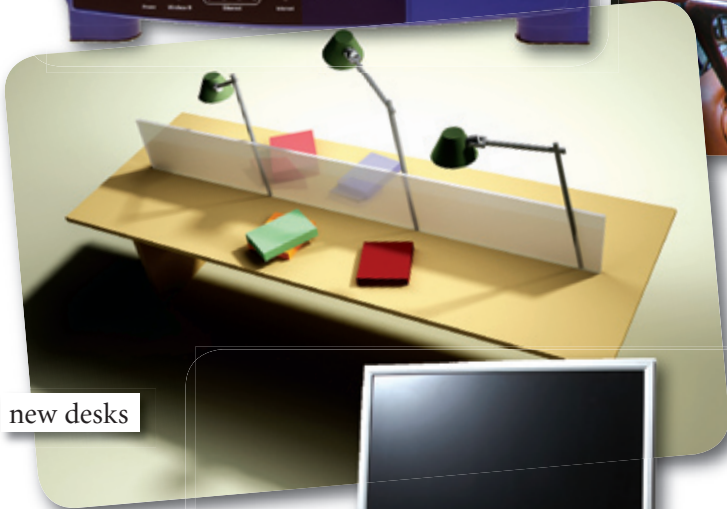

distracting    convenient    useful  
unnecessary    relaxing    expensive  
donation    chatting    study    helpful

Wi-fi connection

café

new desks

comfortable chairs

new computers

TV

*In my opinion...  
I think... this is better/worse...  
Some people won't need this...  
This is useful for...  
We shouldn't have this because...  
We need this because...*
