

Speaking Module 8

Talk in pairs and take turns being Student A and Student B. Imagine yourself in these situations, and how you would have reacted. Ask for and give advice using the words/phrases in the box. Then, swap roles.

Situation 1: You cheated on a test/paper and failed the class.

Situation 2: You yelled at your brother/sister for something they didn't do.

Situation 3: You lied to a friend about something.

Situation 4: You accidentally crashed your car into another one and drove away.
