### A DREAM COME TRUE

This year for my summer holiday I wanted to enjoy the good life and travel in style so I sailed around the Red Sea in a luxury yacht. I left behind sub-zero winter temperatures in the UK and arrived to clear blue skies and cheerful sunshine.

The yacht that was to be my home for the week was named Elizabeth. (1)  As soon as I got aboard, I took off my shoes and enjoyed the pleasure of walking on the cool wooden deck. After I was introduced to some of the other passengers, I was shown around the vessel by two crew members. (2)

On the first night we had a delicious evening meal which consisted of fresh fish and roasted vegetables followed by a rich chocolate cake served with vanilla ice cream. (3)  The following morning we set off on our journey; it was a wonderful feeling just sitting and watching the turquoise water slide by. Later on in the day, I went snorkelling and saw some colourful marine life. (4)  After a refreshing swim we all went back to the yacht where we had lunch. The remainder of the day was spent lazing on the deck.

During the rest of the week I learned how to sail, which was loads of fun but mostly I spent my time swimming in the sea or on the deck relaxing and chatting to the other passengers. (5)  I would definitely recommend this type of holiday to anyone who wants to get away from it all.

- A. At the end of the week, I felt completely refreshed.
- B. My cabin was very comfortable and above the deck there was a spacious dining area and a lounge with a TV.
- C. After that feast, I sat with some of the other guests watching the sun go down.
- D. Even though it was very hot during the day, in the mornings there was a chill in the air.
- E. When I caught sight of Elizabeth in the port, I experienced a thrill of excitement.
- F. Apart from lots of fish, I saw several large purple jellyfish, which I have to admit made me a bit nervous.

### LISTENING TRANSCRIPT

#### 1. What time are they going to take the coach?

**Male:** So which coach shall we take to London?

**Female:** Well, we want to get there before lunch time, don't we?

**Male:** That's right. So let's have a look at the timetable then.

**Female:** There's one every hour. It takes about 2 hours to get to London from Liverpool. How about the 07:47 or an hour later 08:47?

**Male:** That's too early. Let's take the next one, we'll be there by 12 at the latest.

#### 2. What means of transport is the man probably going to use to get to Paris?

**Female:** How are you travelling to Paris?

**Male:** Well, I haven't decided for sure yet. You see, I'm in no big hurry to get there and money is not a problem for me either. But as I always either fly or take the ferry when I go to France I was thinking that this time I would like to have a different travel experience.

#### 3. What did the woman not like about the hotel?

**Male:** How was your holiday in Copenhagen?

**Female:** It was great, Copenhagen is a beautiful city.

**Male:** What was the hotel like?

**Female:** Great, even though it was a cheap hotel there was a porter to carry my bags to my room. A lady came and cleaned the room every day so it was always nice and clean. The only bad part of my holiday was when I was sick with a cold for a few days. I had to stay in the hotel room and order room service which wasn't very nice. It took ages for it to arrive and when it finally did the food was awful.

#### 4. Where is the man's passport?

**Male:** Oh no!

**Female:** What's wrong?

**Male:** I can't find my passport. I put it in my bag so I wouldn't forget it...Wait, I took it out when my travel agent called and asked for my passport number.

**Female:** And where did you put it afterwards?

**Male:** I hung up the phone and left it on the desk with Kelly's books.

**Female:** Well, Kelly put those books in her bag and left for school.

#### 5. What did the man sell?

**Female:** So are you taking the caravan on your road trip?

**Male:** No, we are going on the motorbike.

**Female:** Are you serious? Where are you going to put all your stuff? Why don't you at least take your car then?

**Male:** I can't. I don't have one anymore. Where do you think I got the money for this motorbike?
