Read the text about hip hop and answer the questions. Choose **a, b, c** or **d**.

For those of you who love hip hop, there is a great way to learn more about hip hop history and culture -just take a hip hop tour of Harlem and the Bronx. This is a unique music tour that provides fans with a deeper understanding of hip hop. It is both enjoyable and educational for both serious hip hop fans and tourists visiting New York who want to experience a different side of the city.

The tour guides are some of the biggest names from the early years of hip hop; they include DJ Kool Herc, known to many as the father of hip hop, the rapper Kurtis Blow and Grandmaster Caz who was a member of the group Cold Crush Brothers. The guides provide an entertaining presentation for their listeners, including handing out some “bling bling” such as gold bead necklaces with large gold dollar signs attached. This is to show that hip hop culture is all about style and having the right attitude.

The tour bus sets off from Fifth Avenue in Manhattan and the guides explain how hip hop started on August 11, 1973, when Kool Herc held a party which lasted for several nights. The passengers learn that rappers, DJ's, breakdancers and graffiti artists all play an important role in hip hop. The tour bus makes its first stop in Spanish Harlem where the passengers can gaze at the Graffiti Hall of Fame. The walls are brightly coloured with cartoon characters and phrases; they are considered to be works of art. During the tour, the guide points out various important landmarks such as the Apollo Theater and the Theresa Hotel, where Ray Charles wrote his famous song *Hit the Road Jack*. Passengers can also stop off at a “soul food” restaurant where they can enjoy African American food.

This tour shows that hip hop is not just about music; it's about the graffiti artists, the MCs, the DJs, the breakdancers, the clothes and the fashion accessories. It's about having fun and expressing yourself. So if you'd like to learn more about hip hop, why not take a tour!

TRAVELLER LEVEL B1 – FINAL TEST

FINAL TEST

1.

Female: What did you think of Corfu?

Male: It was beautiful! It had lovely beaches and Corfu Town is full of elegant old buildings. I particularly enjoyed going round the many museums, and quite surprisingly, my children enjoyed that, too. I also rented a car and explored the island. The kids could not get enough of Aqualand. They wanted to go there everyday!

2.

Female: Did you hear that?

Male: No.

Female: You mean you didn't hear that noise?

Male: Ooh... yes, I heard something now. Maybe it's the neighbours again.

Female: At this time! It's 2am! I think you should go downstairs and take a look.

Male: (Crashing noise) What was that?

Female: Quick! Call the police.

Male: Hang on a minute...look it's Patch, he must have got out of the kitchen. Oh no! What a mess! You naughty puppy!

3.

Female: So are you taking your motorbike on holiday?

Male: Absolutely. My friends and I are riding our motorbikes through Europe this summer. We are spending a month on the road.

Female: That sounds exciting, although it might be a bit tiring.

Male: I know but I don't mind. It will be fun. I'm looking forward to going to Poland and Switzerland. I've never been to those countries before. We are stopping in Germany for a week as there is a motorbike convention going on there. Thousands of people are expected to come from all over the world.

4.

Sarah: Hi Fiona. Are you busy on Saturday? I was wondering if you can come shopping with me. I have to buy a dress for my 18th birthday party, and you know I'm not very good at choosing things for myself.

Fiona: Of course I'll come. What sort of dress are you thinking of?

Sarah: Well, I'd like something blue. I love the colour blue.

Fiona: You are always wearing blue. Why don't you try a different colour for a change? Like red, or purple. Those are nice colours, too and they suit you.

Sarah: I suppose.

Fiona: We'll have a look in the shops and see what they have.

Sarah: Great. I'm looking forward to it.

5.

Lucy: What's wrong Steven?

Steven: Oh, I'm just a bit stressed out. I've got exams and I'm finding it difficult to find the time to study.

Lucy: How come?

Steven: Well, you know I have a part-time job. I also have to help my mum look after my little sister.

Lucy: I think you are doing too much. Why don't you quit your job?

Steven: I can't afford to. I need the money.

Lucy: Well, you should at least reduce the number of hours you work during the exam period.

Steven: I could do that.

Lucy: And if you need some peace and quiet, you can come over to my house and study.

Steven: Thanks, Lucy. You're a star!
