Hermann's blog

Hello from London! There's a new teacher in our class this week. Her name's Sarah and she's from Wales. She's very nice and her classes are great. There are also thirteen new students in the school! Ten are from China and three are from Brazil. There's one German... me!

Today, our class is on pronunciation. It's very difficult! My speaking is very bad, but my grammar is excellent. The class is at 6 p.m., and in the day I'm at work. I'm a waiter! In my next blog, I write all about it!
