When I leave university, I want to be a journalist. Your sister Sharon is a journalist – can you give me some advice?

Thanks

Zubeda

Hi Zubeda

You're right! My sister is a journalist. Sharon's very different to me. I'm a teacher and she travels the world! This week, she's in Brazil. She usually works fourteen hours a day!

At the moment, she writes for a newspaper. She writes about films. She meets actors like George Clooney too. It's great.

Now, some advice. Well, you speak English and Arabic. That's good. And you do Computer Science at university. That's good too. Journalists use computers a lot. Do you want to speak to my sister? You can write to her here: sharonwoolridge@journalistsonfilm.co.uk.

Good luck!

Steve
