Hotel Šurbek, Croatia

Review

Martina Bolland, Clyde, Ohio, USA

I first came to Hotel Šurbek ten years ago, and I come back here every year. I love it! It's got everything you need. Every room has cable TV. They have internet access too, but you don't need it. You don't come to Croatia to use the PC – horrible things!

I spent almost every day relaxing in the sea. It's a two-minute walk from the hotel, so you don't need to use its swimming pool. I like the spa though – journalists like me don't get a lot of time to relax.

Hotel Šurbek is also a pleasant place to relax in the evenings. There's an excellent restaurant, and I recommend their steak. You can also get room service, but it's a bit expensive. Personally, I just use the mini bar in my room.

All in all, Hotel Šurbek is the perfect place for a quiet week by the Adriatic Sea.
