### The trip of a lifetime ~ Sakir

My grandparents moved to London from Istanbul in 1960, but before this year I <sup>0</sup> *had* \_\_\_\_\_ never been to Turkey! It's amazing, <sup>1</sup> \_\_\_\_\_ it? So this year, when I finished school, I decided to travel round the whole country with three friends. It's been the best trip of our lives – and it hasn't finished <sup>2</sup> \_\_\_\_\_!

We've been here <sup>3</sup> \_\_\_\_\_ three weeks now and so far we've been all around the coast. We flew to Izmir and then we went north. One time we hired <sup>4</sup> \_\_\_\_\_ boat and sailed all around Alibey Island. That was really cool. The only problem was that it was really windy and we got into a little bit of trouble, because <sup>5</sup> \_\_\_\_\_ one really knew how to sail in bad weather. In the end, we were <sup>6</sup> \_\_\_\_\_ to get back to the harbour OK, but we spent a lot of time out at sea. Since then, everyone <sup>7</sup> \_\_\_\_\_ been arguing about what went wrong!

Now we're in Istanbul. It's great. Yesterday, we <sup>8</sup> \_\_\_\_\_ given a guided tour of the Topkapi Palace – the old home of the Ottoman sultans. It was incredible! I want to stay here longer, but we can't because tomorrow we're <sup>9</sup> \_\_\_\_\_ to travel to Cappadocia. It's an amazing area of rocks and valleys in the centre of the country. If we find an internet café there, we <sup>10</sup> \_\_\_\_\_ put some photos up on the Web for you to look at!

### *Famous for 15 seconds*

So there I was, in Rome. <sup>0</sup> e So, I was travelling alone. It was a lovely hot day and I remember I had just arrived in the Piazza Navona in the centre of the city. It looked strange because I saw lots of people wearing very old-fashioned clothes. <sup>1</sup> \_\_\_\_\_.

Well, I walked into the middle of the square. Suddenly, I noticed a car coming really fast towards me. I thought 'Well it has to stop for a pedestrian' <sup>2</sup> \_\_\_\_\_ The car just kept on coming! Just then, a very loud voice shouted 'CUT!'

I looked around and suddenly I saw hundreds of people looking at me. There were cameras, people sitting on chairs, and actors everywhere. Yes, you've guessed it. I had walked straight onto a movie set. <sup>3</sup> \_\_\_\_\_

A man was walking towards with me. He looked really annoyed. His face was red and he was waving a script at my face. 'What are you doing, you idiot?' He screamed. I explained that I was on holiday. <sup>4</sup> \_\_\_\_\_ Nobody spoke. I think that this was the director and they were all afraid of him.

Then he asked me if it would be OK for them to finish the scene, because they were paying

several thousand dollars to work that day.  
 5 \_\_\_\_\_ Immediately, two assistants took my elbows and they almost carried me out of the square. Just as I was leaving, I saw several famous Hollywood actors. I was about to ask them for an autograph when the director looked in my direction again. I quickly changed my mind.

I have seen the film actually, and I'm not in it.  
 6 \_\_\_\_\_ I was bored in the first ten minutes, and it didn't get any better!

8 Read the text again. Are the sentences True or False? If you don't have enough information, write 'Doesn't say'.
