

GUESS WHAT

Talk in pairs. Look at the picture carefully. Student A, think of a piece of furniture or appliance in the picture but don't say which one it is. Student B, ask questions to find out. Then, swap roles.

B: Is it in the living room?

A: Yes, it is.

B: Is it small?

A: No, it isn't.

Is it next to the TV?

B: Yes, it is.

A: Is it the sofa?

B: Yes, it is.
