

Speaking Module 5

LET'S GO SHOPPING

Talk in pairs. Imagine you and your partner are organising a dinner party for twenty people and you want to go shopping. You have to fill in the shopping list looking at the fridge. Ask each other questions and fill in the shopping list. Then report to the class.

A: Is there any coke?
B: No, there isn't.
A: How much coke do we need?
B: Twenty-five cans.

We need twenty-five cans of coke.
