Drive-ins or Drive-thrus?

People in the U.S. love getting things fast, and one of the most popular ways to buy things is through a drive-thru. In fact, these days people can do almost anything in a drive-thru. You can go to a drive-thru bank or restaurant, and if you want, you can even get married in a drive-thru! In Las Vegas, there are so many drive-thru wedding chapels that it's also called the 'wedding capital of the world'. You can even have a wedding based on a theme, like Star Trek.

Earlier, in the 1950s, though, drive-ins were very popular. A drive-in can be a restaurant, where you park your car and eat in it, or a drive-in cinema, where you watch a film on a big screen from inside your car. Drive-ins became less popular in the 1970s when drive-thrus first appeared. With a drive-thru, you don't even need to stop your car! Who knows what the future of drive-thrus will be. Some day we might be able to have a drive-thru supermarket, or even a hospital!

1. Drive-thrus are popular in the US because people like to get things quickly.
2. Many people in Las Vegas have weddings based on a theme.
3. Drive-thrus made drive-ins less popular.
4. There are even drive-thru hospitals now.
