### LISTENING TRANSCRIPT

**Douglas** Hey Rose, what are you doing, there?

**Rose** I'm checking my MySpace page.

**Douglas** Oh yeah, everyone is on there now, huh? I had a Facebook page a few years ago, but I just got bored with it.

**Rose** I used to be like that, but now I really like it. There are a lot of games and other things you can do on the site. It's fun when you understand how it works.

**Douglas** Maybe that's my problem.

**Rose** OK, that's it. How about I create a MySpace page for you?

**Douglas** I am going home at five, so...

**Rose** It's no problem, I can work on it for a few more hours.

**Douglas** Hours? Does it take that long? Forget it! I'm not interested.

**Rose** It doesn't always take that long, but when you are online you can spend hours there.

**Douglas** Doing what?

**Rose** Making new friends, chatting, playing games, you know.

**Douglas** Yeah Rose, I just don't think this is for me. I can keep in touch with the people I already know through e-mail, I don't really need to make more friends that I have to remember to talk to.

**Rose** OK, but I really think you need to get out more and meet new people, though.

**Douglas** I agree, but I just prefer to do it the old-fashioned way, and meet people in person.

**Vanessa** Eric, when did you get back?

**Eric** I got home this morning but I feel like I'm still in Paris.

**Vanessa** I'm sure you do. So tell me. You were there for the whole summer. How was it?

**Eric** Oh, it was great. Actually, I stayed there for about two months. It wasn't very long but still, it was amazing.

**Vanessa** You stayed with a French family, right? What were they like?

**Eric** They were very nice. It was my second time in Paris, so I didn't want to visit the Eiffel Tower or the Louvre again. This time they took me to places that aren't as well-known, and it was great. I saw how French people really spend their time.

**Vanessa** Wow, that sounds like fun! Did you eat many different kinds of French food?

**Eric** Oh yes. The family I stayed with cooked for me every day. We also went to a few really nice restaurants.

**Vanessa** How nice! I'd like to visit France, too.

**Eric** I'd like to go again, but not during the summer.

**Vanessa** Well, my problem isn't the time of the year, but the language. I don't speak French very well!

**Eric** Come on! You can learn there!

**Man** Let me have a look. Well, 8B is your seat number. Your gate number is 7G.

**Woman** Oh, thank you! Could you please tell me where that gate is?

**Man** Yes, turn left here and you'll see it. It's only a few minutes away, so don't worry, you don't need to hurry. You even have time to eat or drink something.

**Woman** That's good. I wanted to get some coffee before boarding.

**Man** Ah, well then you should go to the Airmiles Café. It's right before your gate, actually.

**Woman** Excellent! Do they have good coffee there?

**Man** Oh yes, the best here! My colleagues and I get our coffee there every morning. But remember you have to drink it before boarding. You can't take it with you on the plane. Oh, and a word of advice. Don't try their doughnuts, they're horrible!

**Kelly** So what do you think, Mark? What's the most important invention in the last 100 years?

**Mark** I don't know, Kelly. I'd say something like the aeroplane, or the car... We can travel so much faster now using these means of transport!

**Kelly** That's true, I guess. But I think that there are more important things like computers and phones. Especially mobiles, right? I never see you without your mobile. You can't live without it!

**Mark** Oh come on, that's not true! In fact, I'm going camping this weekend, and I'm not taking my mobile with me. It will be easy. I don't think I'll have a problem at all without it.

**Kelly** Yeah, right. There's no way you'll be able to make it. You use it too much!

**Mark** OK and what about you with your computer? The first thing you do when you get home is turn it on and check your e-mails. Plus, you spend most of your night surfing the Net.

**Kelly** Hmm, you're right, I do that.

**Mark** Well, maybe we could both spend some time away from our favourite gadgets. Why don't you come camping with us this weekend?

**Kelly** OK, but you'll have to leave your mobile at home!

**Karen** What else do we need to do before we leave, John?

**John** Oh, I don't know, Karen. I think we just need to find a nice hotel to stay in.

**Karen** That's easy, I can do that.

**John** Wait, I just hope it's not going to be like last time...

**Karen** What do you mean? The hotel last time was fine. You were unhappy because they didn't have Wi-Fi.

**John** Of course I wasn't happy. I need to be able to get online!

**Karen** Why? It's a holiday! Why do you need to use a computer on your holiday?

**John** Well, I do. And I think we need a place with a nice pool, too.

**Karen** Why do you want a pool? We're going to be on the beach. You can swim in the sea!

**John** The sea is dirty, though. And think of all the fish and other sea creatures in it. Do you really want to swim in that?

**Karen** Don't be silly, there's nothing wrong with swimming in the sea.

**John** Still, I prefer a pool. And room service. I hope they have good room service.

**Karen** Are we going to use the room service? I thought we'd be able to try the local restaurants. They are known for their great food.

**John** Look, I'm sure it's fine, but I want to be able to eat in the room once or twice a day.

**Karen** Once or twice a day? Do you plan on leaving the hotel room at all?

**John** Of course. When I go to the pool.

**Karen** This is going to be a wonderful holiday... (sarcastic)

**Kelly** Oh, Dave. You won't believe what happened!

**Dave** You didn't make a fool of yourself again, did you?

**Kelly** Unfortunately, I did. In front of my whole English class!

**Dave** OK, so what happened?

**Kelly** Well, I had to give a report in front of the class. I was really nervous, because I hate talking in front of people like that. At some point when I was talking, someone's mobile started ringing.

**Dave** Oh, I hate that, it really gets on my nerves when people don't turn off their phones in class.

**Kelly** Oh, I know! It's really annoying! Anyway, it was ringing and ringing, and no one was turning it off. It was driving me up the wall.

**Dave** So what did you do?

**Kelly** I asked the class whose phone it was, and to turn it off. No one did anything!

**Dave** How rude!

**Kelly** Yeah, well just wait. I was getting angrier and angrier, until finally, I started shouting at them to turn the phone off. That's when one of my classmates held up my purse, and told me that it was MY mobile that was ringing!

**Dave** Oh no... that's terrible. Did you apologise?

**Kelly** Of course I did, but that didn't help. They were really upset with me for shouting at them.

**Dave** Yeah, you really shouldn't have done that.

**Kelly** I know, I know. And I also shouldn't leave my mobile on during class!

**Tina** That sounds like a good idea. You'll be able to do lots of sightseeing.

**David** I'm not sure about that but I'm going to visit my cousin Luca while I'm there. He lives in a small town near Rome. I haven't seen him for years.

**Woman** So, Mr Williams, why do you think I should hire you?

**Man** Well Mrs Smith, I am a very hard worker.

**Woman** Uh huh, is that why you got fired after only a month in your last job?

**Man** Actually, I quit that job. I didn't like the money I was getting.

**Woman** I see. What is the longest job you've had?

**Man** Hmm... I was a call centre agent for about four months. I think that was my longest time in one place. Before that, I worked at a restaurant as a cook for about three months. Oh, and I had a summer job as a lifeguard for a few weeks.

**Woman** The summer is a lot longer than a few weeks, isn't it? Why didn't you last the whole summer?

**Man** That's a bit funny, actually. I can't swim, you see. I really don't know why they hired me.

**Woman** I don't know why either. It certainly seems that you've had too many jobs and you have never had the time to become a good employee at any of them.

**Man** Hey, that's not very nice. I am actually a very good employee. I am always on time, I don't sit around doing nothing. I work very hard. I just haven't found a job I like yet.

**Woman** I'm sure that's true. Still, you can understand why I can't hire you, can't you? I really need someone with more experience.

**Man** Yeah, sure, I understand. Thanks anyway.

**Daughter** Well, you know I took that cookery course last month, right?

**Mum** Yes...

**Daughter** Tonight I'm going to a dinner at a friend's house. I wanted to show them how well I cook now and I told them I'd bring the dessert. I'm making chocolate cake. I'm trying to anyway.

**Mum** Chocolate cake, eh? So what's the problem?

**Daughter** I mixed all the ingredients together, but it doesn't taste right. It tastes awful!

**Mum** OK, tell me what you did. Did you add the cocoa powder?

**Daughter** Well, I did. I added the cocoa powder and the eggs. Then I whisked them together.

**Mum** Uh huh, and the butter?

**Daughter** I melted it and added it, just like the recipe said to do.

**Mum** Hmm... Do you have enough sugar in it?

**Daughter** Of course, I put in two cups, just like... oh no!

**Mum** What happened?

**Daughter** I can't believe I did this. I didn't put in sugar, I put in salt by accident!

**Mum** Ha! Ha! That's a simple mistake to make, any cook could do that.

**Daughter** No wonder it tasted so bad!

## LISTENING TRANSCRIPTS

1.

**Girl** Let's see The Proposal.

**Boy** No, I don't really like romantic films that much. I don't think I'd like it. Why don't we see an action film or something?

**Girl** Well...

**Boy** I know, how about Ice Age: Dawn of the Dinosaurs?

**Girl** That's an animated film, right? I think animated films are for children.

**Boy** No, it's supposed to be really good. Come on, it starts in ten minutes!

**Girl** Oh, OK. Let's go see that one then.

2.

**Woman** How much would you like to deposit, sir?

**Man** Two hundred.

**Woman** Alright. That's done. Is there anything else?

**Man** Yes, can I please change some pounds into dollars?

**Woman** Yes, of course. There is a 3% commission fee.

**Man** That's OK. Thanks!

3.

**Man** I am so glad we decided to come here on holiday! The hotel is right on the beach!

**Woman** Yeah, and the weather is fantastic. This sun will do me some good.

**Man** I can't wait to go swimming in the sea. The water's so blue!

**Woman** And you'll get to do all the water sports you like so much.

4.

**Woman** Hey, Matt. Do you want to listen to my new CD?

**Man** I don't think so. I don't want a headache.

**Woman** But you like this band. Remember, we've been to one of their concerts together.

**Man** Yes, I know but you always play everything so loud and you know I don't like that.

**Woman** OK, I promise to keep the volume down.
