Dear Lucy,  
Hello! I am so glad you wrote. It was really good to hear from you. What have you been up to? I have some news... I just finished my white-water rafting class! I know, it's crazy, right? Well, Sally told me about this class, and it sounded really interesting. She said that it was the most fun she had ever had, and I completely agree!

The course wasn't very long; it lasted only three weeks. The fee isn't much either. I paid only £55. What's more, you don't have to bring anything with you; they have the equipment and everything you need there. The best part is that you don't need any experience. That was convenient for me, because I had never been on a boat before in my life! The instructors are very good, they know so much about rafting. At the end of the course, you get a certificate that says you can go rafting by yourself!

Anyway, if you want to attend the course too, let me know. If you sign up, I know you'll have a great time!

Yours,  
Lilith

## WRITE

You have received an e-mail from Adam, a friend of yours. Read part of his e-mail below and write back to him. Accept or refuse the invitation and make sure you cover all the points made in the e-mail.

Any plans for the summer? I've got this great idea. Jessica and I are going to this campsite for a couple of weeks. It's close to the sea, it's very peaceful and I know you need to relax. Jessica and I thought that you might like to join us for a few days. After all, you like camping, don't you? What do you think?

The only problem is that we don't know the exact dates we're going to be there. When are you going to take your days off? We'll definitely know next week and I'll let you know. Oh, and tell me if you can take your car as well because ours has a problem and I don't know if we'll be able to travel in that. But don't worry if you can't take your car, we can all go by bus.

Anyway write back and tell me if you're coming. If not, tell me what your plans are.
